I AM NOT THERE

Do not stand at my grave and weep;
I am not there; I do not sleep.
I am a thousand winds that blow;
I am the diamond glints on snow;
I am the sunlight on ripened grain;
I am the gentle autumn's rain.

When you awaken in the morning
hush,
I am the swift, uplifting rush
Of quiet birds in circled flight.
I am the soft stars that shine at
night.
Do not stand at my grave and cry.
I am not there, I did not die.

-Robert Hepburn

Steven was a great person. He never hated anyone. He was seldom angry, but if he became upset, it didn't last long and soon he was his "ol' happy self" again.

Steven was an intelligent person. He might not have gotten all A's in school, but he could solve just about any problem or fix anything that needed to be fixed.

Steven was also willing to help anybody or anything that needed it. He especially loved animals. He always said he wanted to become a veterinarian. Steven had a special way with animals.

It was a terrible thing that happened, but Steven wouldn't have wanted anyone to mourn. He would have just told them, "Don't cry; everything's fine."

Steven had a big heart. He was cared for and loved by a lot of people who will miss him.

Steven Ray Thayer will never be forgotten, and someday we will all see him again.

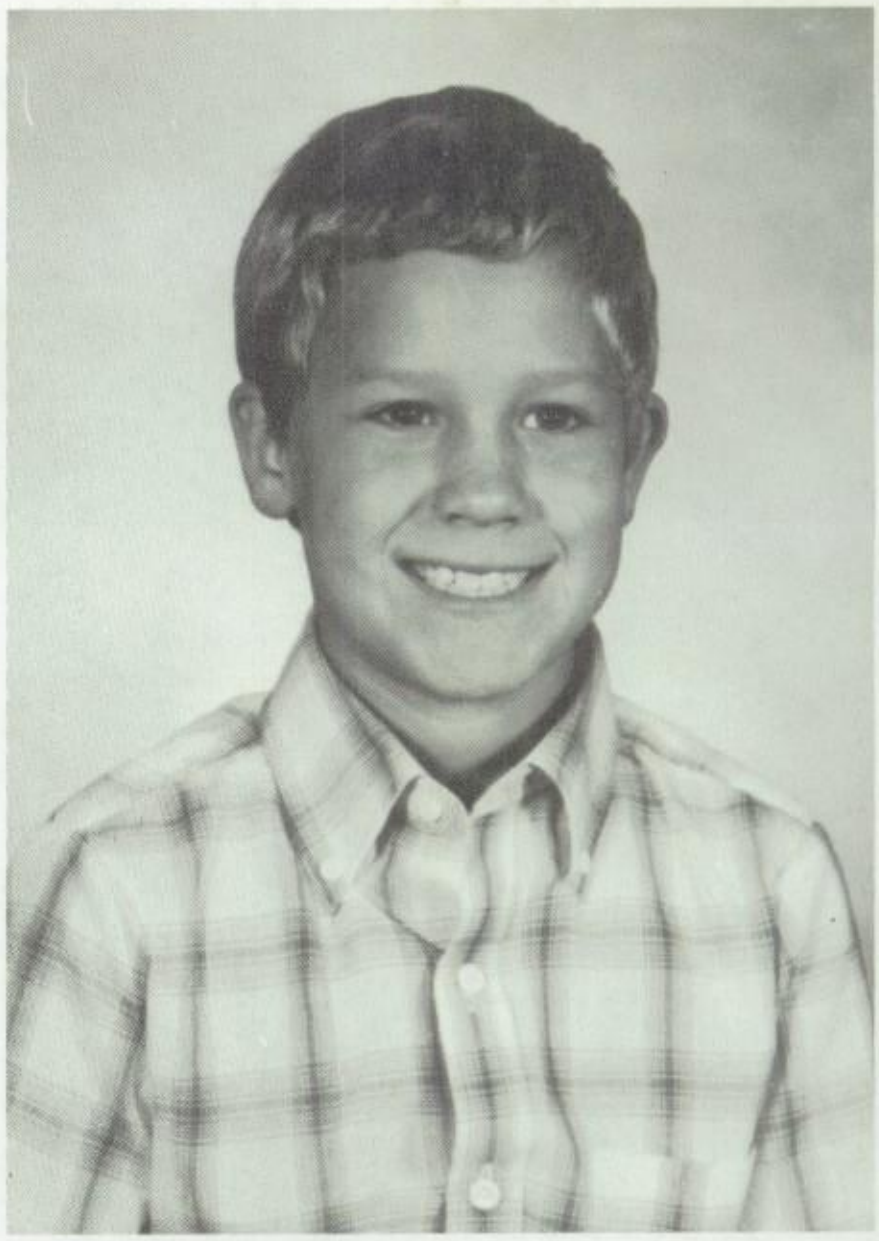
In Memory Of Jon Cochrane



Jon was a good student with an inquiring mind. He was always eager to try new things.
Each of us have our own memories of Jon that make him special and unforgettable. He will be missed by his classmates because he was a good friend. He had a kind and generous nature. His willingness to help his classmates, whether it was to lend paper and pencil or assist with their work, will long be remembered by us all. As for myself, I will remember his sweet nature, infectious smile, and the hugs we shared.

Mrs. Cox

"He was fun to be with. One day I went to his house and he filled cans with water, and we shot BB's at them."

Jeremy Rogers

"He never picked fights. He always liked people. He had a good attitude."

Walter Dansberry

"I liked Jon because he was always nice. Whatever he had, he would always share."
